Re: Hats purchased and worn by William Stevens.
Steward & Clayton, 109 Church Street.

Interview with Mr. Clayton.

" " Mr. Lyons, 338 George St.

Mr. Clayton stated he has not sold William Stevens a hat for the past ten years, but prior to that he had sold him hats which were always black soft felts, and never a derby. He states that about ten years ago Willie started to have his clothes made by Lyons and Parker and also purchased his hats there. He has known William Stevens for a great many years but never saw him with any other hat on, than a soft black felt. He also stated he never saw William Stevens without his glasses.

Mr. Lyons, formerly of Lyons and Parker now manager of Wolf's Clothing Store at 338 George St., states that he had been selling hats to William Stevens for the past ten years when he was a partner in the firm of Lyons and Parker. Willie Stevens never bought any other kind of hat except a soft black felt. He never sold him a derby and never saw Willie wearing one. He never saw Willie without his glasses and in the summer time Willie does not wear straw hats, but sticks to his black felts.
